The new building construction continues but due to the weather and delays in acquiring permits, we expect our new launch date to be November 1st. We are working to match the old building to the new construction.

The new facility will help us to carry out our long held vision of community transformation by the power of the Holy Spirit to change lives. The ministries offered in the new facility will be our expression of God's love for the community as we continue to develop relations and love one another.

Takin it to the Streets

Our last 2 Takin it to the Streets will be August 24th and September 28th. We will set up grills and a few tables in front

of our current facility with the idea of engaging people who stop by for food. This will give us an opportunity to talk with folks more directly, pray with them and offer resources and a next step if appropriate.

you!

As always, thank all of you for your donations and volunteer hours throughout the year. The success of the Northside Outreach Center is built on the efforts of people like you. Because of you so many people are served through our Thrift Store, Food Pantry, Takin-it-to-the-Streets, Thanksgiving Outreach, Community Christmas Store and our other ongoing ministries that impact the lives of many. We want to thank you from the bottom of our hearts for your generous donations and hands on service.

NOC PROGRAMS

Urban Rangers

The picture above was a recent Ranger fishing trip. Lots of fun and some good eating as well. Urban Rangers is our discipleship program for 3rd-12th grade boys, modeled after the Boy Scouts, with an urban twist and an added focus on spiritual development.

Thrift Store

Volunteer at our Thrift Store. Consider donating a few hours each week, Mon-Fri 10:00am – 2pm. The store is located on the first floor of our building and it provides quality clothing, home furnishings, and much more, at an affordable price for the surrounding community

Local Food Pantry

Due to the extreme poverty level, the vast amount of people without food, and the lack of available resources in our area, we have a food pantry which is opened the 3rd Saturday of every month.

Elementary After School Program

Once our facility is completed, we anticipate reforming the after-school program in partnership with Youth Life and extending this service to more elementary children living in the HP community.

Jobs For Life

JFL is a 10 week, Christ centered job readiness program that address the impact of joblessness through the dignity of work. We commit to applying biblically-based training and mentoring relationships so those in need find dignity and purpose through meaningful work.
